

Amisa's Animal Welfare Policy

At Amisa, we're big on animal welfare. All of our products are certified Organic, so all animal, dairy and egg ingredients come from farms where Organic Animal Husbandry Welfare standards are followed.

Where we use non-vegan ingredients we take care to ensure they are as sustainable and ethical as possible. For example: The organic eggs used, are free range and come from certified organic farms which follow high Organic Animal Welfare standards.

Amisa Animal Welfare, in the future.

In our New Product Development, we look to only launch products that are 100% vegan.
